### Profile

---

I am an international chess master and graduated from the Full Stack Web and Mobile Development Bootcamp at Nucamp [🔗](#). I have a bachelor's degree in Physical Education from Cuba, and I am currently working at Franklin Academy Pembroke Pines in Florida.

I discovered my passion for programming at the beginning of the pandemic. I have been self-studying and working hard in learning technologies like HTML, CSS, SASS, JavaScript, React JS, Node JS, Java, SQL, and others.

I am currently developing my skills as a Java Developer by studying Udemy courses and creating personal projects that I am including on my GitHub account [🔗](#). I am applying to entry-level Java Developer jobs, but I am open to Frontend developer projects as well.

I am the father of a four-year-old son and a husband, living in Pembroke Pines, Florida. I have a strong will and desire to learn, and I am determined to work hard to become a successful software engineer.
